

Let's avoid the apocalypse by observing the rather nice

RULES OF CIVIL CONVERSATION

- | | | | |
|---|--|---|--|
| 1 | I will try to reach a shared understanding rather than 'win the argument'. | 2 | I will clarify with others to make sure I genuinely understand their perspective. |
| 3 | I shall endeavor to avoid committing logical fallacies in support of my claims. | 4 | I will attempt to account for my own biases and try to be intellectually humble. |
| 5 | I will also try to be reasonable, rational, and create coherent arguments. | 6 | I may challenge ideas, but will refrain from personal attacks and mean-spiritedness. |
| 7 | I will use the 'Principle of Charity' to interpret others' points of view in the best light. | 8 | I promise to remain genuinely receptive to changing my mind. |
